“ Aunt Anne,
Though it's been years since I've seen or spoken to you, I will always have wonderful childhood memories visiting you in Fl. May you rest in eternal peace with Grandma and Grandpa, Uncle Mikey, and Uncle Richie.
Love, your niece Kelly

“ Dearest Anne,
Saddened cannot describe what my heart is feeling right now. You were a true friend for many years and I can never forget how your generous heart welcomed me into your family. I know you always wanted me to come up to Cary once you moved. It was unfortunate that I spent the last 26 years working one day short of 2 full-time jobs and could never get up there. I regret not being able to see and spend time with you. The physical absence does not take away from the love I have for you in my heart. Rest in the peace of the Lord, my dear friend.
Love Always,
Donna
