

Cathy Stiver Brock

February 9, 1953 - March 10, 2021

It is with great sadness that the family of Cathy Stiver Brock, 68, announce that Cathy passed away on March 10, 2021. Cathy left this world peacefully and surrounded by those who meant the most to her.

Cathy, born February 9, 1953, grew up in Cadillac, MI and spent the last 35 years living in Brunswick, GA. She recently moved to Cary, NC to be closer to family. Cathy had a sense of adventure and loved to travel as often as she could, especially to historical locations, which is a passion that she passed on to her children. She particularly enjoyed compiling family history and tracing family genealogy.

Family was important to Cathy and she found her life's joy in being a mother and grandmother, always supporting and spoiling her loved ones. Cathy is survived by her children, Timothy Brock (Victoria) and Brandy Bolan (Michael), grandchildren, Avery, Evan, and Elinor, and her step-father, Enoch G. Squires. She was preceded in death by her parents Bernice (Bea) Squires, LeVerne (Pete) Stiver, and brother Ronald Stiver.

The family will gather for a small private remembrance in Michigan to honor Cathy's life and memory. For those who wish, the family would encourage donations to the American Cancer Society or Hospice (Transitions Lifecare of Raleigh, NC or Hospice of the Golden Isles, GA) in lieu of flowers.

“ I went to Culinary School with Cathy and I remember her as one of the brightest, most kind people I've ever met. I'll never forget when she selflessly donated to give my friend, whom she had never even met, a new arm after his accident. She was an amazing woman, a tremendous friend, and a wonderful person all around. I am very sad to hear about her passing, I hadn't seen her in a few years, but she was one of the people who bid me farewell when I left Georgia.

Rest in peace Cathy, you truly were a bright light in a dark world.

“ I have so many memories of Cathy that I can't pick out just one. I do remember her and her entire family came out to Nebraska to visit us back in the mid 70s. Her father was my fathers older brother. When they got there Cathy was very happy to see me as we were very close in age. She had a very good time there but she sure did mention the lack of trees out there compared to Michigan. Anyway that was the last time I had seen her until her father passed away. She was such a kind and smart lady. Always turned to her when I needed to know anything about the Stiver side of things. I am now saddened that Cathy's mom, dad, brother and now her are all gone! I will never forget her and her beautiful beautiful family! RIP CUZ!
