“ I think of my sister as a shy and gentle person who was satisfied with a simpler life. She made a wonderful choice in marrying Ben Rainey, a good man, and raised 3 good children, David, Cyndi, and Chip whom we have so enjoyed especially in their and our adult years.

Being the oldest and most accessible to our mother in Fla., Fern took on the responsibility of Mother and her Alzheimer's, vowing it was never going to happen to her, but heredity has its own ideas. Her passing was quiet and gentle in this year of Covid - 19.

When asked of my most fond memories: Her love of cooking such as the feast she created for the rainy NC/FSU football game. Also when I attended the Spring High Point Furniture Mart once a year I found it enjoyable to stay with Fern and Ben. She always had some interesting and delicious food prepared.

The DE and NC beach family reunions were such a good time. 1976 was made memorable when Fern created a "76" wall hanging with everyone's picture. It still hangs in our home, faded but loved.

She will be missed but I do believe we all feel she is now in a better place.

“ Mr. Ben-I have just heard of the passing of Ms. Fern. I am so sorry to hear this sad news. I have been on medical leave myself from work but I thoroughly loved Ms. Fern. She was a delightful person and she was always smiling even on her bad days. I'm saddened and broken hearted but I know she's not suffering anymore. Just know that I will miss you and her. My heartfelt sympathy and prayers are with you and your family. Love, Sondra Moore, Med Tech @ Windsor Point.
