

Francis R. "Frank" Dailey

May 9, 1964 - January 26, 2020

Francis R. "Frank" Dailey, age 55, passed peacefully with dignity Sunday morning at home, January 26, 2020 holding hands with his devoted and loving wife by his side.

Frank fought pancreatic cancer with courage and strength since July 2019. His determination and resilience along with his hope to find a cure never wavered.

Frank was a proud United States Marine Corps veteran serving from 1982-1986 stationed in Okinawa, Japan. Frank's interests included reading novels, watching Sci-Fi movies and The Game Show Network, and enjoying good food and conversation while in the company of his family and friends. Frank led a simple life based upon the principles of care and concern for others. Frank was happy being surrounded by animals so much so that he was an active volunteer with Cat Angels Pet Adoptions in Cary, NC. Frank was a kind and gentle soul who helped many people in their time of need.

Frank is survived by his wife, Denise Marie Wysincavage Dailey, his mother Eileen Teri Armour, Leesburg, Florida, in-laws Barbara (Rakowsky) Wysincavage and Albert Wysincavage, Frackville, Pennsylvania, sister in-law Kelly Plye (Edward), Westampton, New Jersey, nephew & niece Aaron & Taylor Plye, aunt Barbara Fleischmann, Alabama, many cousins, friends, and faithful fur-companions Lacey & Rusty.

He is predeceased by his father, Ross T. Dailey; maternal grandparents, George H. and Margaret M. (Tomei) Armour; aunt, Margaret "Peggy" (Armour) Dalton; cousin, Sean Dalton; and pets Jigger & Stinky.

A special thank you to the staff at UNC REX Hematology Oncology Associates and Hospital for their compassionate and loving care of Frank and his family during his treatment. The support from close friends Bill, Colby, Jerrod, Paul, Jim Townson, and neighbors Gallagher's & Pillai's throughout this journey. Frank is dearly missed by those who loved and knew him.

In lieu of flowers, charitable donations requested in Frank's memory made to Cat Angels <https://catangelsnc.org/Public/Donations.aspx>; Americares <https://www.americares.org/>; American Cancer Society <https://www.cancer.org/involved/donate.html>; and St. Michael's Archangel <https://www.stmichaelcary.org/>.

Cremation service is private and a memorial service with military honors is planned for a later date.

“ Frank and I volunteered together on countless Saturday evenings at Cat Angels Pet Adoptions throughout the past 7+ years. I remember he mentioned his favorite cat was Metora. Metora lives in the red room and thus I chose a red candle. she is known to be cantankerous and Frank looking past that and helping care for her as if she was his own is a true example of his humility and kindness. He will be greatly missed.

“ Frank was a truly exceptional person and I am honored that I had a chance to work with him as a volunteer at Cat Angels. He was always willing to do whatever a cat or kitten needed to be happy and healthy and he was an inspiration and a joy to be around.

“ Frank was a kind and gentle man who loved caring for cats and kittens, especially kittens who needed him. He was often seen holding kittens who were scared and sick and helped them not to be afraid. Many purrs were generated by his kindness. He will be sorely missed.
