“ I want the Dicken's family to know how much I thought of John and Kitty. They have always been so special to me. I am so sorry I did not know about John's passing until today. I had a nice visit with John at his home about a week before Christmas and we both enjoyed that visit so much and I am so glad I had that time with him. He was looking forward so much to Christmas and so happy to be with his family.

My love, thoughts and prayers are with each one of you. John loved his family. A great man.

“ Mr. Dickens... I am not sure if you will get notice of this message or not, but my family visited the flea market today and I stumbled upon some old books. I purchased them... I googled the gentleman's name on the books and found your sweet fathers obituary. Just in case this was given away by mistake I felt like i should send you a message. In case you or another family member might want it... I have a small black hymnal with your father's name on it... I wanted to at least reach out. You can email me at Irichmo5@gmail.com.

Sincerely-

“ Heaven has truly gained another angel! I worked with John for many years at the ABB in Coral Springs, FL. He and Kitty were definitely included among my favorite people. They were both such caring and wonderful people. John always knew how to cheer you up and had a very calming influence on everyone he came in contact with. To his children and grandchildren .. you are very lucky to have had him a part of your lives for so many years. Your memories will keep him close in your heart. It was a privilege for me to have known both John and Kitty. You are in my thoughts and prayers.

“ John was a very special individual. He mentored me in many ways in my career at both Westinghouse and Booth & Associates. If I was ever down I could count on John saying something nice to cheer me up. Much of my success in my career I owe to John. May his family find comfort knowing he is now with Kitty. “ John and I were partners on the "Vepco" account in the late 60's in Richmond, VA for 3 years. It was a pleasure to work with him. I do not remember a cross word between us. I give him the credit as he was always a true gentleman and was blessed with tolerance and a good heart. I wish his family my heartfelt condolences and prayers. John Halifax

“ John was about nighbor for 3 years and we loved him. He was so thoughtful with our children and always so sweet. He was always sweet to talk to and my mom loved visiting him when she was over. He gave constantly and was always smiling. This earth lost a fine, respected, hard working man full of integrity and valor. But heaven certainly gained one of the best.
