“ I was 9 years old when I met Nancy and Raymond. That was 54 years ago. My dad, Joe Hudson, met Raymond while he was working on the Colonial Pipeline in NC. He rented a room from them in their house while he was there. During the summer my mother and two sisters joined him and we spent the summer in their home. It was one of the best summers of my childhood. Even though we were miles apart from NC to TX we always talked about our wonderful memories. When my mother passed away in 2012 one of the first things my dad wanted to do was visit Nancy and Raymond. He and I drove out to NC and visited in their home. Nancy and I connected after that and kept in touch through email. It was such a blessing to see her, Marilyn, Manfred, and Peggy last summer for my dad's 100th birthday. It's a memory that will always be cherished. I will miss the news from her about what's going on with her, her family, and friends. She always seemed to have so much to share. I'm sure the angels sang as you arrived home in heaven.

“ We share Janet's words of being welcomed into Nancy's home and heart with her great love. She and Raymond got all 6 of us...like adopted aunt and uncle to our children all these many years. Since about 1984 when Catawba Springs began supporting our mission work in Australia, the Mills showed us so much personal love on the field and many times during our furloughs. Even in retirement they opened their home to us with those delicious country meals!! She always remembered birthdays, weddings, babies and all the news from the now adult children. Taking time to even see Bruce and Joe at Alert in TX and then end up with a visit to us in Dothan, AL meant so very much to us as lonely retired missionaries. (Until now 6 grandchildren age 6 and under!!). Our family misses the Mills and we still call their former home our "second" home . Yet we are so thankful for their years at Glenaire.

It is strange not sending those regular emails she wanted for encouragement and those photos by text. But she now enjoys all she looked forward to ...her Savior face to face.

Dear Lord, heal many hearts with Your comforting grace as we carry Your banner forth.

“ I wish had known this sad news sooner so I could have attended Nancy’s service. She was an extraordinary lady full of love and goodness. She will be missed by all who loved her. You’ll always remember how it felt to laugh with her and be loved by her. I hope those memories will bring comfort in time.

“ Nancy and I have been close friends since first grade - 70 years ago. Through those years, I found what a wonderful Christian woman she was and how she served the Lord and was always there for whatever anyone might need, even while she was sick. She never complained no matter how sick she was. I loved Nancy like a sister and will miss her so much. I have several items in my home that Nancy gave me that I will always treasure. Nancy and I enjoyed shopping trips until she was not able to go any more. Loved playing dominoes with her and Raymond also. So many sweet and precious memories we made with Nancy and Raymond and her entire family when growing up together. God truly gained an Angel when He took her to her Heavenly home. I will truly miss my dear friend.

“ Nancy and I met in the 8th grade. I have wonderful memories! She put her friends first, sharing their joys and sorrows. She loved her family. She didn't just go to church. She walked hand in hand with Jesus, especially these last few months as heaven drew closer. May her legacy of love bless everyone left behind!

“ As part of her postal family , we had met this sweet lady and her husband at the conventions. She always had a sweet spirit about her and talked about her family. Our prayers are with her family and friends she leaves behind.

“ Nancy and I were childhood friends and rode the school bus to and from Apex Schools from fourth grade through graduation. We lost touch after graduation. But, I remember her well as a lovely Christian person. Her father Mr. Homer Ray still holds the title in my heart for producing the best country ham I've ever enjoyed. Losing Nancy has stirred warm memories of my childhood and some long ago faces and names I haven't seen since childhood. God rest your soul Nancy and His Peace be with your family.

“ Nancy loved Our Lord Jesus Christ with all her heart. I am sorry for the loss that I know her family is experiencing at this time. However, I rejoice for my sister-in-Christ. She has seen His face and she is in His presence. She has seen Raymond and both of them are free from all pain and discomfort. I will continue to pray for her family as they walk through the coming days. She was a blessing to my husband and me.

“ Nancy Mills was my neighbor, friend and sister in Christ for 31 years. She touched our family for eternity. She and Raymond welcomed this Yankee family with open arms and open hearts. From her first visit with a pot of coffee, a banana bread, and a gospel tract, to giving our daughter a bridal brunch at her home, to always having a listening ear and wise counsel, and just being my friend. She will always have a special place in my heart. I am glad she is face- to- face with her Redeemer at last. She fought a very good fight and kept the faith. I will miss her.(Love you, my friend. See you there.)
