“ I am Bill's sister-in-law, Susan, aka Suzanchila.
I hold Bill in a special place in my heart. I am sad. I am glad my sister, Julie was lucky and found such a great guy to be her husband and partner.
He and Julie shared their rarely found love for each other in the kindness and support shown daily to each other. That love and support is not just for them, it spread out among their family, friends and neighbors.
I loved watching them dance.
I had fun playing the hand slap game with Bill even though I never won.
Bill showed the joy and compassion he had in life with a twinkle in his eyes and grin on his face.
He will be missed.
My love to you, Julie.

“ Bill was such a gifted teacher. Even though I was never formally in his class, he walked alongside me in my high school chemistry class until the light finally went on and I learned to love the subject! He was a role model of love and devotion to his spouse and his son and daughter in law and his grandson. And he made the best Caesar salad ever! But what I will never forget is his gentle smile and the twinkle in his eye. He will remain forever in our hearts! Much love to Julie, Mike, Rita and Zach, from

“ Keeping you close in thought. We offer you our sympathy, for you and your entire family. We are so sorry for your loss. Bill was such a wonderful neighbor and did so much for our community. He was a wonderful teacher and taught me much when he recruited me for the Grounds Committee. I have and always will have very fond memories of him. I would run into him a lot when he walked Sassy. Sassy and Bella were good friends. We are so glad and blessed to be friends and neighbors to both of you over the years. He will be very much missed.

“ We will always remember Bill’s wit and smile. He was a very considerate and kind person, and a wonderful teacher.

We spent many evenings playing euchre and going out for dinner with Bill and Julie when they lived in Michigan. Lots of fun. Bill loved watching his son Michael play football. He was deeply thoughtful.

Julie, may the good memories of Bill provide you some peace. He loved you very much.

We offer you our deepest sympathies for your loss. Please know that our prayers are with you.

Love, Paula and Gib

“ Dear Julie and family - Having you and Bill as neighbors was a real gift, as you both are so kind and positive and caring - genuinely good neighbors as Mr. Rogers would say. You both watched out for Pam and me, to see if you could lend a hand or just a smile. We will always remember Bill in his energetic walks around the lake, with a true smile and bright eyes - always uplifting. Thank you for being present and sharing

yourselves with us. Blessings to all of you - sincerely, Jim and Pam Lemons

“ Dear Julie, Mike and family. Our deepest condolences to your whole family. It seems like it was only yesterday when we were moving into Hickory Estates in New Fairfield. We missed you greatly after you moved to North Carolina and often wished we had stopped in to say hello. Your house was never again shown to be as pristine and well cared for as was during your careers here in CT. The young couple that have just recently moved in appear to have that same kind of commitment. Rest in Peace. John & Donna

“ I worked with Bill in the early 70's at James Rodgers Jr. High School in St. Clair Shores, Michigan. He was easily the most popular teacher in our school among students, and several times voted "Teacher of the year." He was a role model for those of us who were just entering the teaching profession. I still carry respect and admiration for him almost 50 years later. Sincere condolences to his family, friends

and loved ones.

I worked with Bill at Bethel High School and remember him as a terrific and skilled teacher but more importantly as an incredibly decent man. “ Bill was a kind and generous individual and I was fortunate to work with him at Bethel High School. He loved his students and the craft of teaching. As a colleague and a supervisor, he was supportive and was a great facilitator for all of us. The teaching community has lost a great professional and a wonderful person.

“ Julie, Michael, and family,

I was greatly saddened on hearing of Bills passing. He was the best!! He was a tremendous influence on me in getting to become a more effective teacher and to understand it was about the students not always the content. We enjoyed our company as coaches, teachers and friends just listening to rock and roll. I know you two had a special connection and I ask you to remember the memories you guys created together. He will be missed and his memory will be with me. I have been thinking of the many “stories we created”! Blessings.

“ Bill was my colleague at Bethel High School....such a fine, good, honest human being. We shared lunch duty, hall duty, committee workshops, and a million laughs. Such a great man....I loved working with Mr. Auble....easy going and a GREAT listener. I am so sorry, dear Auble family. We can never replace a man like Bill, only know how fortunate all of us were to have him in our lives. With deepest sympathy

“ I am so very sorry to hear of Bills passing. He and Julie have been wonderful neighbors. I remember calling many times right after I moved to Lakeridge. Bill came over and showed me how the thermostat worked, helped me when I thought a snake was in the bird netting and helped with clearing the patio when a storm was coming. He was always so friendly and a great person. Please accept my heartfelt condolences. I pray that your memories of Bill will give you comfort.

“ Julie and family, we will greatly miss Bill. He always showed so much love and kindness for everyone. He remained cheerful in spite of every difficulty he faced. He baked delicious bread for us. Once we shoveled his driveway after a snowfall, because we were worried about him falling, and then he came over and shoveled our driveway! Julie, I believe that families are eternal and that you will see Bill and embrace him again. Our deep condolences to you and to Mike and Rita and Zachary

for the loss you feel now.
