

Alice O'Connell

September 20, 1940 - January 18, 2019

Alice O'Connell passed away peacefully in the early morning of January 18, 2019 at the age of 78.

She was surrounded by family and friends who were fortunate enough to share in Alice's generous love and her selfless caring nature and who loved her deeply and unconditionally.

Most importantly, however, she had her very devoted and loving wife Grace Satriale at her side. Their dedication and devotion to each other for fifty years was truly genuine, unconditional, selfless and generous. They were an inspiration for all their family and friends to witness.

Alice will always be remembered as a strong and independent minded woman, an honorable and admirable woman; a woman who set and achieved challenging goals throughout her life, such as climbing her way from a young staffer to becoming Vice President of the American Kennel Club.

But more importantly, she will be remembered and honored as a loving and devoted wife, a very generous and giving person not only to Grace, but to her large family and many friends; someone who was always supportive and kind. She will be genuinely missed, but the love she gave will always be with us, and our love will always be with her as well.

“ Alice, you will absolutely be missed. You were soft spoken, but firm when it came to protecting those you loved. Rest easy.

Godmother Grace, please let us know how we can help during this difficult time. We love you.

Love,
Pam and Odofoley

“ Grace,

I am so sorry to hear of the loss of Alice. You too were great together and two people I have met that have really made a lasting impression on me. Please find solitude in the memories you shared with her and everyone will miss her awesome spirit!

Don't be a stranger and I would love to take you to lunch someday!

My sincere condolences,

“ *The Dolls! Alice always had a smile on her face. It was truly my pleasure to have known her and to have been part of her healthcare team at ADMA.*

Grace, I am so sorry for your loss. Love you always, Trece and Tashia

“ Alice always had a soft spoken word of loving kindness to share, a beautiful woman inside and out! I was blessed to know Alice for many years and though I only saw her occasionally at her dental visits, I felt like she'd been my lifelong friend. She will be dearly missed by all who knew and loved her, but what sweet memories she's left with us! May her memory inspire us to be more loving and kind.
