“ Randy and Lynn,
May the assurance that your Mom is now in her eternal home give you comfort as you adjust to her absence here on earth. You were indeed blessed with a godly mother who taught you early to love Jesus and, as far as possible, pattern your lives after Him. Love and blessings to you and your families.

“ Ann had an open heart and warm hug for everyone. She spoke truth with tenderness
Guiding others in their walk of faith and gently encouraging downtrodden spirits.
What a blessing to know Ann and share Bible Studies in her living room on Brookgreen.
Her presence will be deeply missed, but we know she is now present with the Lord in her eternal Home. Peace
