“ *I have known Ann for more than 40 years. She was always someone that I looked up to as a leader in our youth group as she was two years ahead of me in school.*

I attended Toccoa and was thankful for Ann's presence as I struggled through my freshman year. She has always been a part of my testimony as I share with others as I began to struggle with my faith during that year. She plainly asked if I could turn my back on all I had been taught. When I said, No, she asked, Why? She didn't give me the answer but directed me to think about my relationship with the Lord. She pointed me back to the truth of who He is and what He had done for me.

Being away from NC, we have not had the same connection in years, but I am thankful for her influence and friendship in my life.

“ *Ann was one of the sweetest persons I have ever had the privilege and blessing to know. She will be missed. I pray the Holy Spirit will pour out His comfort on family and friends during this difficult time of loss and grief.*

*"Oh, there will be a day when all will bow before Him
There will be a day when death will be no more
Standing face to face with He who died and rose again
Holy, holy is the Lord*

*And on that day, we join the resurrection
And stand beside the heroes of the faith
With one voice, a thousand generations
Sing, "Worthy is the Lamb who was slain"
