“ Anna was a wonderful person and a great friend. I am thankful for getting to know Anna. I know that she loved the Lord as well as people. Her big hug every Sunday will be truly missed. She had a great smile and a wonderful laugh. She enjoyed being a part of the choir and served faithfully there as long as her knees allowed her to climb the steps to the choir loft. Anna "connected" with me, our friend Elizabeth and my husband, Harvey. We went out to eat on several occasions and a great time was enjoyed by all. I can say that she really like to eat clams. She was proud of her family and their accomplishments. When we visited her at her home, she showed us pictures of family here and in Florida and told us about each one. I will truly missed Anna but am thankful that she came into my life. I am know she is now safe in the arms of Jesus and that one day we will see her again.

“ They say what you remember most about someone is how they made you feel. Anna was genuine and loving. When she would see me she would get a huge smile on her face and give me a warm, thoughtful, hug. Anna made me feel LOVED. Anna had an infectious laugh. When she laughed it made me laugh, even if I was in a sour mood. Anna made me feel JOY. Anna NEVER complained about hurting. Anna helped me to see COURAGE and feel at PEACE. Anna had a deep love for Christ and His people. That was SO apparent in the way she carried herself. ANNA made me want to be a better person and to be more like Christ. She was a special part of the church family at First Baptist Church Morrisville and I will miss her. She will never be forgotten. I look forward to seeing her beautiful smiling face again in our heavenly home. Anna makes me feel HOPEFUL!

My thoughts and prayers go out to her beautiful family. Peace be with you all!

I knew Anna from Wake CrossRoads Baptist Church. She was in my Sunday School Class and was such a delight to have as she always was smiling and eager to learn more and more about her Christ. It was here that she was baptized. I sent her a card for this event and she always remembered it and from then on, Anna always sent me a Christmas card. Most of the time there would be a small gift that she had made for me. I will miss receiving this card at Christmas. I know that Anna is now with Christ and I am thankful for that.

My life was blessed in knowing Anna if only for a short time.

Anna had a very big heart! I loved her big smiles, her hugs and her always telling me how pretty she thought I was. I will miss her! There is comfort in knowing I will see her again one day!! Until then....

I remember the very first day Anna came to my Sunday School Class at First Baptist Church in Morrisville. She and I walked over to the Church and sat together. She was a very sweet lady who had a joy for The Lord, and a joy for people, as well as, a loving way in serving The Lord. My daughter and I were very saddened to hear of her passing, but we know she is now with Our Loving Father in Heaven. May you all find comfort in knowing she is loved. Dianne Hiatt
