

Barbara Baldyga

October 12, 2023

Formerly of Cherry Hill, NJ and Bluffton, SC

On October 12th, Barbara Baldyga (Anderson), passed away peacefully and surrounded by her loving family. Her family is at peace knowing that Barbara is finally with the love of her life Walenty Baldyga. There is no doubt that our mom and dad are finally dancing again to "String of Pearls".

Barbara is survived by her three children: Richard (Cristina) Baldyga, Jeffrey (Stacey) Baldyga, and Deborah (Jay) Hodshon. She was blessed with 7 grandchildren. Along with her husband of 66 years, Walenty Baldyga, she was also predeceased by her sister Shirley. Barbara's youngest sister and her best friend, Audrey Stolarek will miss their daily phone chats. Barbara was born in Worcester, Massachusetts. It was there she met her husband "Al" on a blind date and spent the rest of her life creating her favorite love story.

They moved to Cherry Hill, where Barbara was a dedicated mother and wife and later went on to open a TCBY store with her husband. Soon after, they decided to retire to "Sun City" South Carolina. There they celebrated many happy years with friends traveling, playing Maj Jong, teaching her grandkids how to bake, catch crabs and throw shrimp nets. If she wasn't playing cards, or volunteering, Barbara was baking her famous Cranberry Coffee cake. She never entered a holiday event without a bag of snickerdoodles. Barbara

enjoyed cruising the world with her husband, taking family trips with the entire Baldyga Family, and working hours on puzzles.

After several years, they moved to the Carolina Preserve in Cary where they made many more friends. Those who knew Barbara valued her handwritten notes and cards she sent throughout the years. Barbara donated her body to science in hope for future generations.

A Celebration of Barbara's life will be held for family and friends in the future. The family asks in lieu of flowers, contributions be made in Barbara Baldyga's name to Transitions Hospice in Cary, NC.

“ When we didn't get a Christmas card from Barbara this year, we got worried and tried to call. My heart sank when her number was no longer in service. We lived behind Barbara and Al for nearly 30 years in Cherry Hill and when we all moved South, we tried to keep in touch. I smile because I know how she missed Al and I can imagine how happy they are to be together again. We send our condolences to the family. We know how you love her!
