

Barnett L. Hardin

August 23, 1947 - May 28, 2022

Barnett "Barney" Louis Hardin, 74, of Cary, North Carolina passed peacefully from this life on Saturday, May 28th after a brief battle with leukemia. He was surrounded and cared for by his loving family at Home during the last days of his life. Barney was born on August 23, 1947 in Vernon, Texas to Charles and Vera Hardin. Shortly after, the family moved to Pennsylvania where he lived until 2000 before relocating to Cary, NC. Barney graduated from Bishop Neumann High School in Philadelphia. He served in the US Army and Pennsylvania National Guard before joining the Easttown Township Police Department where he worked for 30 years until his first retirement in 1999. Barney proudly continued to work up until his illness in April.

Barney is survived by his five children (and spouses): Michael (Elaina), Drew (Renee), Carolann Hardin, Cristen Ayers nee Hardin (Derik), John (Janissa); four grandchildren: Alyssa, Madilyn, Mackenzie and Adriana. He is survived by his brother Charles "Hotty" (Kathleen) and was preceded in death by his father Charles and mother Vera. His affinity for Duke Basketball and Dallas Cowboys football was only surpassed by the love for his family.

Barney was loved by many until his last breath and will be greatly missed forever.

The family will greet friends July 16, 2022 from 10am to 11am in the

mausoleum at Wake Memorial Park cemetery, 7002 Green Hope School Rd., Cary, NC 27519. A private memorial service will follow.

“ Dad!

I continue to think about u 24/7. I'm so mad that u left me, but find comfort in knowing u aren't suffering any longer. I wish this wasn't reality, but I know u are still with me each and every day!!

“ Dad,

Words cannot begin to describe how much I miss you. I'll forever cherish our daily car conversations and your honest, caring advice that you were so very willing to share. You always knew what to say and always seemed to have a story for me. I'll miss seeing those "never a doubt" text messages from you after a narrow Duke win.

I'll never forget the time that we spent together. It was an honor to be your son and I can't wait to tell my children how great their grandfather was. Rest easy with no more pain.

Love you, Pops.

“ *Barnett, took me under his wing along with other colleagues to make sure my first days working for a new company were welcoming and educational. As we got to know each other better he was always there to level me out and remind me to focus on the good. We were so different politically in some areas, but our common ground allowed both of us to show our vulnerabilities. I have stated this before, but I will say it again. Barnett listened to me with an open mind and heart. I was taught to respect my elders, and my reward was the insight and wisdom Barnett showed me. In his honor I hope I can be that person for someone else.*
