“ *Betty Lou was a gem of a lady. She welcomed this Yankee girl into her home and made me feel special. When my Nana came to visit, many years ago, she insisted I bring her over to meet Mama Ada, her mother. There we sat , three generations of women from different backgrounds, sharing stories and pound cake and laughing at our different accents. Betty Lou made everyone feel welcome and loved. I count my blessings the day I met the Ferrell family. We love you Betty Lou!*

“ *LuAnn and David,*

Sally and I just found out about your mother's death. She was one of the sweetest, most gentile ladies I ever knew. I have missed the more frequent contacts I used to have with your family and especially just sitting and chatting visiting with your mother in her home. I often wandered across the road to see her during your Christmas parties. Both of your parents were so fine and were a perfect complement to each other. I have fond memories of your family - you, your parents and your children when they were younger. I know that Good Hope Baptist and the Carpenter community will miss your mother as will you. Sally and I understand your feeling of loss as we both lost our mothers as our last parents which magnifies the loss. You feel as if the last tie to your past has been forever severed.

I have been out of town for several days and will not be back until Monday so will not be

able to attend the funeral. Our prayers will be with you as is our certainty that Betty Lou is in a much better place and is at peace. God bless you and strengthen you as you deal with her death. Jack Markham

“ There was one thing that we had in common, we both love sparkly clothes. I remember one Sunday in particular when I told her that she sure did look pretty, she motioned for me to come closer, she looked me right in the eye and said; "How much do I owe you?" I truly wish I could have known her in her early days because I believe we would have been great friends. A special lady! I love the thought that I will see her again one day! It is my prayer that her family will feel the prayers of many and know they are also loved beyond measure! Memories and Times will remain. His Forever with a lot of love, Ellen Harlow <><

“ Miss Betty was a very kind lady, I had the pleasure of knowing her and her family for many years. She was one of the first kind faces I saw when my mother passed 25 years ago and still to this day I remember and appreciate her sweet words and comforting hug. We have lost a wonderful woman and heaven has gained a sweet angel. My prayers and thoughts go out to my old friend Luanne and the rest of the family. What a great lady you had for a mother.
