“ Sabrenna/Shannon/Stephanie/Todd:

I was so sad to learn about your mom on Facebook. I was out of town the day of her service and couldn't attend but please know you all have been in my thoughts. I know what a sad, sad time this is for all of you. You were all such wonderful, caring children to her. She left this world knowing she was dearly loved. I truly am so sorry for your loss. I know how much you all loved her. Patti Sadler

“ Dear Shannon and Family,

Your Mom always made me feel special and was very loving in how she treated me. I felt blessed to know her and your family. The bond between a Mothers Love and the children is one defined by Love. As a Mothers prayers for her children are unending, so are the wisdom, grace, and strength, they provide to their children. Your Mother left this legacy for you all. It shows how each of her children, parent their children. What a beautiful gift she left to leave her grandchildren, as well. You all are in my thoughts and prayers. Elaine McCraw
