“ Every memory that I have with Carol is marked with laughter. She was hilarious. The hardest that I remember laughing with Carol was at Jason and Leilana's wedding reception. She suggested that Daniel, she, and I decorate the couple's "get a way" car. As we tried to blow up balloons and figure out what to do with the bits and bobs we had, she kept cracking joke after joke making the task of blowing out balloons impossible. It was a fun time.

“ So sorry for your loss. While I did not know Carol well, I did work with her and she was always a pleasure to work with. My heart goes out to her family and friends. God Bless.
