“ Anne, Bob and I are so sad to hear about Carrie. Although I never had a chance to meet her, you shared some wonderful stories about your daughters and I could feel your love and pride when you talked about them. Losing a child is so very painful, I can't imagine how you are getting through this. Please know that we are keeping all of you in our hearts and praying for you. We hope some of the wonderful memories of Carrie help to ease a bit of that pain. God bless you.

“ Mark, Anne and Ellen ... I am so so sorry for the loss of your daughter and sister, Carrie. I was there for the early days when she was a baby and little girl. I worked for my favorite boss ever, her dad Mark, and Mark and Anne were always so kind to include me in many special moments with Carrie. A young life taken too soon. Sending hugs and thoughts of all of you as you navigate the weeks ahead.
