“ There never was before, and will never again, be a man like Gene Hobby. Gene was a friend to all and just to be in the room with him made you feel good. When he would call me, or I call him, you could feel the light in both our hearts. Not much more I can say other than I will miss Gene so very much. Prayers to the family. We've lost a great human being.

“ Gene was a dear friend to many people and he touched their lives, including mine. I smile when I think of Gene and those wonderful stories. There was never a dull moment when you were in the company of Gene Hobby! I loved traveling to events with him. I would ask one question and he could talk for an hour! Everyone loved him. I will miss the stories, the smile and especially the "hey Suzie" when I called him or he called me. Rest in peace, my friend.

“ As many who knew Gene, already know, he always had a great story to tell you. Whether it was something from his Marine Corps boot camp days, or his history with NASCAR, his stories always put a smile on your face, I will miss that the most. But I'm so thankful that I had a chance to spend some time with Gene one more time at a race track just a few days ago. It was so great to see his face "light up" when someone asked for his autograph or talked to him about racing days gone by. My favorite memory is when I asked Gene if he had any advice for current NASCAR driver Timmy Hill, prior to Timmy racing our LeithCars Toyota at the ROVAL in Charlotte last year. over the noise of the race car engines all around us, Gene leaned-in to Timmy so he could hear a bit of wisdom, Gene told Timmy, "you've gotta' find your line, and FOCUS!" I'm smiling right now as I write this. Thank you Gene.
