“ I have, and will always think fondly of Christie. She was always so even-keeled and kind. Her demeanor made you feel comfortable and relaxed. I used to be thrilled whenever she would stop by with a fresh batch of chocolate crinkle cookies for me. So thoughtful. She will be greatly missed. -Karl DeKing

“ My cousin Christie and I were the same age. She was actually exactly two weeks older than I was. This was something as a child, teen and young adult that she always boasted to me about. As we got into our grown up years I would always remind her that I was much younger than she was. I'm so sad she is gone. I'm happy I could see her in Carolina as we only lived a few hours apart and she and John opened up their home for me to stay when I traveled to Raleigh. We would explore the area, have dinner and maybe a margarita or two. Rest in Peace cousin.

My sister-in-law, Christie will be missed. She was an inspiration of courage and faith during her final days with us. She raised two wonderful children and we all gathered for special family memories in July to see Erika marry Sean Tomey M.D. Christie was a very hard worker and the projects she touched had successful outcomes from her work with training dogs to her selfless giving as a mother. Christie I will meet you on the other side for some more fun bike rides. :) Renee
