“ We are so sorry to hear about our Uncle Clay!
Ken, Greg and I will always remember how special he made us feel!
After every family visit he told us that he loved us and how proud he was of us. Those words meant so much and he said it each and every time he saw us! We loved coming over to the house on Nimitz Dr. seeing your dogs, playing pool in the basement and dressing up in the white Gogo boots. Well, that was me and Christine!
Though we didn't get to see the family as often after their move to Florida our visits were always memorable. I remember how excited Uncle Clay was for us to come down for a visit and have a Wendy's burger and a Frosty. I also have a memory of going to some swimming place with people on one side and alligators on the other! Even back then that didn't seem right!😭
We received the first and only video game system from Uncle Clay and Aunt Loretta! Best gift ever! Talk about three happy kids!
We are thankful for our family and very thankful for such a wonderful Uncle...and Aunt!
We are so sorry and love you all!
God Bless you all!
Kathi❤️
