“ Dale's countless efforts over the past 9 months to care for Darlene in her declining health prepared her for her sudden diagnosis of cancer in June. In July, Dale knew what was to come and she left us knowing Darlene would need help & guidance in her passing. God had a plan, Dale knew. It hurts but I hope Dale & Darlene are enjoying their new life together, again.

“ She was the sweetest, most kind hearted soul we have met. We had a lot of good times and a lot of laughs in the past. She will be missed. The world lost a good soul but Heaven gained one.
