“ I knew Daniel for only a few months but he made me feel like we had been friends forever! He was a great guy and friend! He will be deeply missed!

“ Daniel was such a special person! I teach the class he was taking at night. He was kind and funny and a hard worker. He never met a stranger and always made new people feel comfortable. He came to class whenever he was in town and kept us posted when he was traveling. I will miss our talks about trucks, operating large machinery, traveling, school antics and music.

Daniel was important to class and to me. He will be greatly missed.

Please know I am keeping his family in my thoughts and prayers.
