“ *Daphine was a member of our dining room table at Spring Arbor. I immediately recognized her as a fine lady. Both of us were drawn together by mutual admiration of each other. We both enjoyed fine things. My son is a concert pianist and we enjoyed listening and watching a video of his house and garden. We also played his music from an IPHONE to enjoy. I enjoyed meeting both her sons who were devoted to their mother. We will miss her. Peggy Smith & Jim Reske*
