“ Dear Teager Family,

*We are deeply saddened by the news of Dave Teager passing.*

*I know Dave from work... We worked together in one of the highly charged multi vendor complex program. Prior to him joining our project, it appeared that the program was getting delayed because of Cognizant team... And soon after Dave joined, Cognizant team was rockstar in the program. That was the magic of Dave.. our dear Dave... He has done this successfully numerous times, in multiple projects, for many like us..*

*Dave was an extremely hardworking, fearless and honest man. He lived his life King size.*

*Our deepest sympathies for the Dave's family. You are in our thoughts and prayers.*

*May his soul rest in peace.*

*Regards  
Biswadeep and Family*

“ David was such a strong leader in our Cognizant group. I had always heard the Teager stories and couldn't wait to meet him. He was such a great leader and he kept me straight on a lot of issues and activities. I could always count on him for advice and counsel. He will be sorely missed. We all admired him greatly. Our condolences and prayers to Kim and his children.

“ I knew Dave at work and he was a good friend and trusted colleague. We worked together for a few years at Bentonville, AR. I remember very fondly many of the interactions we had and he had a special skill of really building his team to their full potential. He was also quick witted and I used to enjoy his long emails explaining his thoughts whenever I had questions.

*I am very saddened to hear about his passing and I would like to share my condolences to the Teager family. My thoughts and prayers are with you . I pray that God Almighty give you His abundant comfort and solace during this period of great loss.*

“ *Kim and kids, so shocked and saddened by the passing of Dave. Whenever I was around him he always made me laugh or we would talk about the computer world which we both loved in. Even though I haven't seen him in a while I will miss him now all the time. Not sure if I will be there on Thursday or not but if I'm not, there be a hug for all of you. Mark Fifield*

“ To The Teager Family:

*Dave was a bit of a role-model for me: aggressive, hard-charging and relentless. He took me to task several times, but each time he was right to do so. I was proud to be labeled "Teager Jr" on more than one occasion.*

*His presence, his skill and his pursuit of perfection will sorely be missed. I'm sorry I never got to know him better, but he made me a better person for knowing him.*

*My wife, Stacy, and I share our deepest sympathies with you and your family and can only hope you're comforted, in the slightest, by how much he will be missed. You're in our thoughts and in our prayers.*

*God Bless,*

“ My condolences on the loss of Dave. Dave and I worked together over the years since 2008 and recently worked on the same program for a few months in Atlanta. Dave was always the professional who would work tirelessly to make his programs a success. To those who didn't know Dave, he had a tough Jersey persona. To those who knew him, he had the biggest heart and was like a father to those who worked for him. Like a father, he would fight to protect his team from those who unfairly took advantage of them, comfort them in time of need, scold them when they didn't perform to his standards, and would always reward those who sacrificed for the good of the team. There was no easier way to bring Dave to tears than when his team recognized his sacrifices and efforts to do the best for them. Dave loved to tell stories and always weaved in his love for telling stories either when he was rolling off an engagement or needing us to respond to requests. My last memory of Dave was in August at his farewell dinner. After so many years of knowing each other, Dave and I discovered that we both had family members with similar illnesses. When explaining my situation and he explained his, we were both trying to hold it together and not shed tears in front of others. Big hearted Dave was always there to offer advice and comfort others. Dave touched my life and touched the lives of many. Dave will never be forgotten. God bless Dave.

“ Teager family, I'm am very sorry to hear your news. I've lost track of Dave after I left Chubb for a while. We went to Chubb school together and worked together until 1998. He loved what he did always working to be the best.

“ *My condolences to the Teager Family. May his soul rest in peace and I pray to God that he gives you the strength to bear this tremendous loss.*

*Over the last year, I had the privilege of working with Dave very closely in a couple of intense projects. What came out through that association was his sense of purpose, focus, drive but above all, his humanity. He felt deeply for his team, and the work that they did. He was self-deprecating, funny and lively.*

*His body of work saved us time and again from difficult situations - I remember an instance when he sat through a long meeting with a throbbing pain in his eyes when the client felt he should have been in an ER. That tells us his level of commitment.*

*I am deeply saddened by his loss - yes, it is a personal one for me. Yet, I am happy that he is in a better place, unburdened by worldly encumbrances, closer to HIM.*

*With deep gratitude,
