“ I am so sorry to hear about the passing of Denis; he was so helpful to my deceased husband, John Day (John and he were childhood-neighborhood chums) when John was just starting his career in Transmissions. Denis helped John also in getting settled in Plattsburgh, NY and we had some good times together while in the Plattsburgh area. Much love and prayers to the family and to Laurie

“ We are very sad to hear this news. We had the pleasure of meeting Denis twice after travelling from Wales, UK to New York. I travelled with my daughter Natasha to New York and even though we had never met previously, we were welcomed with open arms by Denis and his family who looked after us for a week in their home. We have very fond memories of the lovely time we spent with you all and your kindness and hospitality. Sending you our condolences at this sad time. (My great uncle was Denis' great great grandfather who emigrated to New York in 1920.)
