“ I just learned this morning about Mrs. Ferrell's passing and am sorry I did not know in time to attend the service. When Mrs. Ferrell spent time in the Panther Creek High School cafeteria, she had a spirit of love and giving and was a true testimony of her commitment to Christ. She truly had a servant's heart. One of my favorite memories is the heartfelt love and joy she expressed when she would update me on Todd after he graduated and became a Marine. Todd, she was so proud of you and made sure your high school principal knew what was happening with you each time she spent time at PCHS. May her example serve as a reminder to each of us to love life and love others unselfishly. May special memories give peace and comfort to the family as you try to live with full respect of her legacy! --Rodney C. Nelson

“ I always appreciated Mrs. Ferrell's hard work in the cafeteria at Apex Middle. I worked with her there for 15 years. I still make the yams from the recipe she shared with me.
