“ Roger, Dan and family,  
While my heart is filled with sadness it is the many special  
memories of your mom that  
remind me of the love she had for her Lord, her family and friends. I  
will miss her laughter,  
how her eyes would light up when she would have the game  
winning card in a rook  
game on Saturday night, or the game winning number during a  
bingo game. I loved  
our conversations where she would always share her love for her  
family. I am so grateful for her love and concern to our family  
especially to mom.  
Our thoughts and prayers are with you. We love you and God bless  
you,  
Pat & Johnnie Wester
