“ *My prayers are with your family, even though Dorothy passed a few years back. I just wanted to share that Gertrude Ferstler, mother of Francis Ferstler, was my grandfather's sister. She was known to us as Aunt Gerty.*

*My mom remembers the Ferstler family.*

“ *So sorry to hear of the passing of your sweek Mother and Grandmother. Mrs Ferstler was always such a joy to help when I worked at the bank. I know you will miss her sweet smile and kindness she had in her heart. My thoughts and prayers are with you all as you face the days ahead. Remember all the happy moments, and remember she is with you always.*
