“ So sorry to learn of Edie's death, our dear friend for most of her life. Edie and her family lived across the creek from us and Edie and her sister Valerie were always welcomed at our house and delightful guests. Church contact was especially refreshing for our family. We experienced Edie's father and grandmother's tragic deaths and mourned with them and then again mourned their mother's death. We were always warmed by Edie's and Valerie's smiles. They were constant companions and such a joy to be around as they were growing up. We send our deepest sympathy to Valerie, Elizabeth, Russell, Roger and all of Edie's family.

“ Edie was such a great friend. I am so sorry I was not a good friend and kept in touch with her. We had so many fun memories together. She is the one who taught me to drive a stick shift. I remember it like yesterday. I will forever miss her. I'll be thinking of her family.
