

## Elsamma Abraham

September 10, 1952 - August 7, 2024

Elsamma- A life well fought and celebrated...

Elsamma was born on September 9, 1952, as the second daughter of Mathai and Aleykutti Padinjare Varikat in a small village called Cherpunkal in Kerala, India. She has 6 brothers and 2 sisters.

Elsamma completed high school education from St. Mary's High School Kidangoor and pursued a career in education, which was her passion. She taught children for a few years. Later, she started her own preschool and enjoyed being part of their development in the early years of life.

She continued her teaching profession until her marriage with S.D. Abraham in 1978. Mr. Abraham was a serviceman in the Indian Army and within a few years, the couple was blessed with two children, Justin and Juliet. She then focused her energy and experience as a teacher towards her children and raised them to be successful young adults.

Elsamma departed us at the age of 72. When we look back at her life, it wasn't always a smooth journey for her. Many times, life challenged her with hard realities, sometimes she struggled, and sometimes nearly failed. However, she fought back each time and brought her life on track. After her husband passed away in 2016, the biggest challenge she ever faced, her health started to decline.

A life to remember, a life to cherish, and a life that touched many, that is the legacy that was left behind by Elsamma. Now we leave her, to her journey to the resting place of her husband. May we pray that this journey be to a place without pain. We will keep her alive in our lives by cherishing her memories.

“ My dear Elsamma Aunty,

*Today as we all grieve for you in our own unique ways, it's comforting to know that you gladly said your goodbyes accepting that the will of God was nearing and have gone back to your final resting place - to your Saviour and God.*

*My early childhood memories of you are spending few days of every summer holidays with our aunt Kunjchechy, Justa and Juliemol at your home. You looked after us and cared for us. We enjoyed our time and had lots of adventures at the vallikadu home that we looked forward to coming back and spending time with you every summer hols.*

*You were “Kunjuchechy” to most of our family members... when I recall... you were “kunjuchechy” to the 3 of us (your older nieces) too for a looong time. ❤️ I fondly remember you as a loving, patient and caring Aunt who took life as it came... no questions asked! As we grew up, got married and moved further away, we ensured we stoped by to see you on our every visit. In recent years, when you moved further away to the US, and when your health took a turn for the worse each time, always you were in my prayers and thoughts without fail...*

*Although far away from all; yet close to your Almighty Creator;*

*Fond memories of you will live on among us;*

*In the hearts and minds of each loved ones your gentle light has touched. 🕯️ ❤️ ☐*

*May Your Gentle Soul Rest in Peace! 🙏*

*Your loving niece, Marina*

“ Dear sister *Elsamma*, you fought the battle bravely, run the race successfully, kept your faith faithfully, loved everyone in your life unassumingly, left this world without grievences to the heavenly abode. While you are in heaven kindly intercede for us. We love you much. May God give you the crown of glory and eternity amongst the saints and angels, Mother Mary and St. Joseph.

*I cherish the joyous memories of our childhood as my sister and friend. Just two days before your departure, your video call and your long chat for 48 minutes is still in my memories. We shared our minds without a clue of your journey to the Heaven. That is the empathetic mind we shared between us. Love my dear. Rest in peace and love of our God.*
