

Francis R. "Frank" Dailey

May 9, 1964 - January 26, 2020

Francis R. "Frank" Dailey, age 55, passed peacefully with dignity Sunday morning at home, January 26, 2020 holding hands with his devoted and loving wife by his side. Frank bravely fought pancreatic cancer with courage and strength since July 2019. His determination and resilience along with his hope to find a cure never wavered.

On May 9, 1964, Frank was born and raised on Long Island, New York. In June 1982, Frank graduated from Lindenhurst High School and swiftly joined the United States Marine Corps. Frank was a proud United States Marine Corps veteran serving from 1982-1986. He served aboard several navy ships and stationed throughout the United States as well as abroad in Okinawa, Japan. After his military service, Frank attained his Bachelor of Science degree majoring in Computer Science from Dowling College.

In 1995, while living in Pennsylvania, the stars aligned and Frank met his soulmate and wife, Denise. From 1996 to 2005, together they shared many moves on Long Island, then relocated to North Carolina. In August 2006, they built and purchased their first home in Cary, North Carolina. Frank and Denise shared memorable vacations to Walt Disney World, MGM Studios, Epcot, SeaWorld, Atlantic City, Las Vegas, Biltmore Estate, Wilmington, and various arts and nature areas in North Carolina. Their desire to travel included many destinations planned being US passport ready. Frank was an enthusiastic

man who could not pass up the thrill of amusement park rides to bring out his inner kid. During travels between Long Island and New Jersey, there were frequent stops to Coney Island and Adventureland, even skipping lunch to ride the rides. Frank was adventurous and enjoyed scuba diving, parachuting, and flying like the Aces on Warbird Adventures in Kissimmee, Florida.

Frank's interests included reading novels, watching Sci-Fi movies and The Game Show Network, and enjoying good food and conversation while in the company of his family and friends. Frank led a simple life based upon the principles of care and concern for others. Frank was happy being surrounded by animals so much so that he was an active volunteer with Cat Angels Pet Adoptions in Cary, NC. Frank was wholeheartedly a compassionate soul who helped many people and animals in their time of need.

Frank is survived by his wife Denise Marie Wysincavage Dailey, Cary, North Carolina, his mother Eileen Teri Armour, Leesburg, Florida, in-laws Barbara Ann (Rakowsky) Wysincavage and Albert Wysincavage, Frackville, Pennsylvania, sister in-law Kelly Plye (Edward), Westampton, New Jersey, nephew & niece Aaron & Taylor, aunt Barbara Fleischmann, Alabama, many cousins, friends, and faithful fur-companions Lacey & Rusty.

He is predeceased by his father, Ross T. Dailey; maternal grandparents, George H. and Margaret M. (Tomei) Armour; great grandmother "Noni" Vincenza (Napoli) Tomei; aunt, Margaret "Peggy" (Armour) Dalton; cousin, Sean Dalton; and pets Jigger & Stinky.

A special thank you to the staff at UNC REX Hematology Oncology Associates and Hospital for their compassionate and loving care of Frank and his family during his treatment. The support from close friends Bill, Colby, Jerrod, Paul, Jim Townson, and neighbors Gallagher's & Pillai's throughout

this journey. Frank is dearly missed by those who loved and knew him.

In lieu of flowers, charitable donations requested in Frank's memory made to Cat Angels Pet Adoptions, Inc <https://catangelsnc.org/donate> ; Americares <https://www.americares.org/> ; American Cancer Society Donate; and St. Michael's Archangel <https://www.stmichaelcary.org/give/> .

Cremation service is private. Burial with military honors is private due to COVID-19 protocols attendance is limited.

“ *Death takes us by surprise, and stays our hurrying feet; The great design unfinished lies, our lives are incomplete. But in the dark unknown, perfect their circles seem, Even as a bridge's arch of stone is rounded in the stream.*

Alike are life and death, when life in death survives, and the uninterrupted breath inspires a thousand lives. Were a star quenched on high, for ages would its light, still traveling downward from the sky shine on our mortal sight.

So when a great man dies for years beyond our ken, the light he leaves behind him lies upon the path of men. -HWL

Forever and always in my heart and thoughts ... you are loved, Mom

“ A wonderful story about Frank is from his days. Volunteering at Cat Angels Pet Adoptions.

He volunteered every week to care for the newcomers to our program. In particular, many litters of kittens.

Every day twice a day our animals are cared for and given lots of exercise and playtime. The kittens are removed from their cages and set on the floor to run and play. While they are playing, their cages are cleaned and food and watered are refreshed, etc..

The bigger the kittens get, the more rambunctious they get. So Frank would be happily caring for the cages well, the kittens were playing with toys on the floor. One day the kittens decided that they wanted to do some more than just play with the toys on the floor and decided to climb up Mount Frank. It was adorable to see them hanging on to him, while he scooped their litter boxes, and took care of their cages. He was very calm about it and very gentle and it was just hysterically funny to see him walking around the room with the kittens holding onto his pants.

Frank was a wonderful person and he will always be missed.

“Hey Frank I visited your mom last month and it was great to see so many pics from our youth. She misses you so much and so do I, wish I could have spent more time with you before you passed but I'm comforted knowing you are now truly at peace and in such a better place.

“ *Frank was a delight to work with at our cat and kitten shelter. He loved taking care of and got great joy from caring for the kittens. Watching them bounce around and bat cat toys around made him smile and laugh.*

“ Frank and Denise were the most amazing people. They sent me items while I was in Iraq. This was back in 2006-2007. We stayed in contact and I have to say that Frank and I always had great conversations about the Marine Corps. I do miss him.

“ As water reflects the face, so ones life reflects the heart. You, Me, Us, We.

From seconds to years, in the light of joy, in the dark of sadness our seasons everlasting endured, Our story now forever eternal.- your heart, my heart, that long ago promise kept - souls without ash eternally linked "forever and always no matter what," an everlasting history for the ages, perchance one day to be discovered.

“ I only knew Frank briefly but in the short time I knew him I developed a fond appreciation for a true gentleman. He had a very positive attitude and outlook and fought bravely. Frank was the type of person we need more of in this world. He will truly be missed. Denise, I pray for you and your family.

“Frank was a kind gentle person. He was a very good man. He loved volunteering at Cat Angels Pet Adoption and caring for all the kittens. They loved him back and responded to him like he was their daddy cat. He will be sorely missed. We lost a kitten a few days ago. I know that kitten is sitting on Frank's lap right now.

Frank and I volunteered together on countless Saturday evenings at Cat Angels Pet Adoptions throughout the past 7+ years. I remember he mentioned his favorite cat was Metora. Metora lives in the red room and thus I chose a red candle. she is known to be cantankerous and Frank looking past that and helping care for her as if she was his own is a true example of his humility and kindness. He will be greatly missed.

“ Frank was a kind and gentle man who loved caring for cats and kittens, especially kittens who needed him. He was often seen holding kittens who were scared and sick and helped them not to be afraid. Many purrs were generated by his kindness. He will be sorely missed.
