“ I am just now learning of Gerald's passing. I met Gerald in the early 70's while working for the highway patrol. Gerald (Morrisville Gulf & Wrecker) was on our rotation wrecker list for Wake County and we knew we could always depend on Gerald to go anywhere we needed him at any time, day or night. We became friends and I spent many enjoyable hours there at Morrisville Gulf with Gerald, Barbara, Wanda and Wayne. My deepest sympathies to Barbara and family. He will be missed. Barbara, Wanda and Wayne and family; I just learned that My lifetime friend and schoolmate has passed away. God needed a new Angel and called him home. Gerald was unique in his many "Hats" but Morrisville Citizens should never forget the many Good Deeds and Leadership he contributed to their Growth and Progress. He was an Icon in his Time and and God pulled his Winning Ticket. I Thank you and Gerald for our Friendship and Cherished Memories...Jean Hunt
