“ *Dear Janet & Family,  
I got to know Scott when he was in high school. I dated his sister Debbie for over three years and was at their house all the time. He was always friendly and had a good sense of humor. I went to Catholic Church with them on many occasions and was invited to dinner quite often. Scott had great social skills and I had a feeling that he would make an excellent salesman. I moved out west many years ago but have always thought about the Smith family, such good people. Small world, but my brother lives in Raleigh, works for Cardinal Health, and met Scott at a conference some years back. Scott was a wonderful person, and he will be greatly missed. “ Dear Janet, Bill and I were so sorry to hear of Scott's death. He was taken too soon . I hope that you can take some solace in the fact that every time I saw him, he was always talking about you or the kids. It was so obvious that he loved all of you so much! When I think of him , I always see him with a smile on his face. I 'm sure that he will be missed by many.

*Under normal circumstances we would come by your house,or certainly attend the mass,but I broke my hip in December so I 'm limited in what I can do.*

*You are in our thoughts and prayers.*

In the few short years we knew Scott, mostly through Ryan, we watched his courage and love for life and his family with great pleasure. We just wish we had been lucky enough to have spent more time with him and gotten to know him better. He has been in our prayers and our thoughts as long as we have known him and we continue to pray for all of you. What a wonderful family you are.

“ Dear Janet, Ryan and Allison, My heart goes out to all of you. I remember the first time I ever saw your family. It was at a swim meet and we had just moved to Cary. I remember thinking what a sweet, beautiful couple and beautiful family! Our kids were in elementary school. Throughout the years, I have always thought what a beautiful, loving family. It is that same love that remained unwavering during Scott's illness. I will always remember his beautiful sweet, beautiful smile and infectious personality. My prayers, thoughts and love are with you.

“ Scott was always one of the most positive guys I'd ever met. I first met him working at the Manhattan Bagel store he owned in the mid 90s. He was a great help with giving me advice on how to get into medical sales after college too. And more than anything else, anytime I saw Scott and Janet anywhere in town over the last 20 years they were the kindest people and felt like people you'd known your whole life. Scott - you will be missed. Thoughts and Prayers to the Smith Family.

“ *Remembering such a sweet family when the Ryan and Allison attended Morrisville El., and great food as you opened your great little restaurant (the name escapes me - sorry) - also years ago. Then losing touch over the years, but seeing you both again after Scott received his diagnosis. ALS is a horrible disease, but after having lost a friend just a year ago to this dreaded disease, it does allow you the gift to say those things that so many don't find the time to say. Wishing you so much comfort during these difficult days, and peace knowing that you had the gift to say those special thoughts. Prayers to you all - God bless!!*
