Dear Aunt Ida, I wish I could tell you all of the memories I have of you since when I was a little girl up to my adulthood but that would be too long, but when called you there is one good memory that always sticks in my mind about you, it was after John passed you always told me how much you loved him and he was precious to you when we visited you in Florida.

You are deep in my heart from all of the love you had showed us all of our lives.

The path you will follow is the Lord's and you will see all of your love ones. So now Aunt Ida rest in peace. Love you always. Xoxo

“ *Dear Aunt Ida,*

I remember when those pictures were taken, as if it was yesterday. We went to visit my Mom and Dad in Florida that year. Aunt Ida and Uncle Mikey came to visit, they lived near by. It was Janene's sixteenth birthday Feb 1990, and had a cake for her that day. One of those pictures were at my sisters house, Phyllis and John's by the pool. We all loved your caring and laughter and warm heart, such a giving person.

Such great memories to remember. I'll will never forget you, Aunt Ida. She was always happy and cheerful and always made us laugh. Now she will rest, and be with her husband Mikey and her son Michael, and all her family in heaven. We will always remember and miss you in our hearts. Sending love and prayers to the family.

Love you, Paula Menniti Judge

“ I will always remember Aunt Ida for her laughter, and her Italian attitude. She was a wonderful lady. I have only known her for 16 years, but she made me feel like I was family forever. I will miss her greatly. Love and prayers to the family.

“ *Bernard and Frances, Aunt Ida will be truly missed by all of us. Out of all the years that I have talked to her on the weekends, one conversation stands out the most: I called her from my tree stand, and she asked me how I was doing, and why I was whispering...I told her I was in my tree. She got worried, and was wondering why I was in the tree. I told her I was hunting deer. She was puzzled, and she asked me how the deer got in the tree? After explaining to her, she felt better. She wished me luck, and begged me not to fall out of the tree. I will truly miss our conversations. Our hearts go out to the family, God bless everyone.*
