“ I have many wonderful memories of Mom that I will cherish forever. She was a beautiful, kind, generous person and always treated me like a daughter. One of the best memories I have is Christmas Eve at her house with friends and family where she made a ton of food and I always ate too much, but it was so delicious! She always remembered me on my birthday and Christmas with beautiful handmade cards and that meant so much to me. I am so thankful that I had the opportunity to have known her.
