“ Too many people throw out the that someone was a good person. John was really a GOOD person. Having worked with him through many crisis situations I got to see his real concern for his work. We shared many laughs, golf games and conversations. He cared deeply for his family and spoke of them often. Blessing to all of you!

Sorry to hear the sad news. He was a great Vike as a member of the class of 1967.

Spent many a day with Grass on the Sun deck of Theta Chi starting on thursdays, playing Liars Poker. He was a rather Sun God, with his long Blonde locks, tan skin and good looks. I guess another Theta Chi hits the dust. Wish his family well.
