

Joseph Thomas Wurtenberg

December 21, 1941 - January 12, 2021

Joe passed peacefully on January 12, 2021 at the age of 79. Beloved husband of 60 years to Carol (nee Kennedy). Loving father of Joseph, Jr. (Karen) and Cheryl Coyle (Jim). Devoted Pop of Morgan, Ryan, Madison, and Joseph III. Son of the late Howard and Emma. Brother of Cork, Sam, Blanche, Patty, Jimmy, Donna, and the late Jack, Joan, and Walter.

Philadelphia was Joe's home for almost 70 years before he moved to North Carolina with his wife in 2010. Joe was an avid Phillies and Eagles fan. He watched all their games with passion, often yelling at the TV when things weren't going well. He was overjoyed when the Eagles won the Super Bowl. In addition to watching his teams play, Joe loved to play cards, the lottery, and the horses. He was always dreaming of the big win. A lover of Wildwood, Joe and his wife spent many summers down the shore. He was especially happy when his grandchildren could join them there.

In his last days, Joe expressed pride, joy, and love for his two children and four grandchildren, and he professed his eternal love for his wife ("Boez") - whom he'd adored from the first moment he met her.

Due to Covid, services will be private. A Memorial Service will be held in Joe's honor at a later date in Philadelphia. Donations in his memory may be made to Leukemia & Lymphoma Society, Attn: Donor Services, P.O. Box 98018,

“ I met Joe and Carol through my parents who were their next door neighbors in Cary, NC.
From the moment I was introduced to them, I knew they were good people and I liked them very much. My parents were blessed to have them as neighbors and friends. I visited with Joe only twice and remember him as having a good sense of humor and a kind, warm and gentle manner. Carol and Joe were saints in watching out for our father. My father, mother, brother and myself will be forever grateful for their presence in our lives. Please accept our condolences on your loss and know that we hold you in our minds and hearts.

“ Joe II and Family,
I speak on behalf of myself and your many friends at WRA when I say that those of us who know you well, and were also fortunate enough to meet your father agree that the apple did not fall far from the tree. Losing your Dad therefore meant the world has lost a kind and amazing individual who has given generously of himself.

We are saddened at your loss and will grieve along with you, keeping your incredible family in our thoughts and prayers.

David and your many friends at WRA.

“ Mr Joe, words cant begin to express my love for you and Ms Carol. You both have been a constant and blessed presence in my life. Honored to have known such a hardworking, loving , and fighting man. You fought the fight with grace and tenacity. So strong even on your worst days. Hardworking , you just meet someone and from go you know this man worked hard, son of Philly. Love. He Loved Philly,lived Philly. The only love I knew more than Philly was his beautiful wife Carol and family. Joe every visit was raving about his kids and grandchildren. Everytime. I will forever cherish our conversations. How inspiring this man was to me and my life. May God watch over you in this time, I'll be here a phone call away if you need anything.

Hi German, I think you may be confusing my dad with my brother. My dad never worked at Merrill - that was my brother.
