“ Although we moved away from the neighborhood years ago our kids all grew up together and Judy was always so friendly and outgoing. Her humor was always subtle and she will be missed 🙏

“ My grandma was such a lively woman. She always had something witty to say, and always had the best advice to give. I'm going to deeply miss walking into our favorite restaurant and seeing her already sitting there waiting at our usual table. I'll miss her reading off the joke section of the coffee news, and I'll miss her blowing straw wrappers at me. She brought such lightness to a world full of heaviness.

*I'm grateful that she was in my life, and that she was in my sons life, even if it was brief.*

“ *When I think of Judy, I think of laughter. We spent a lot of time laughing in the car going to the mall, the beach, etc. she was a special friend who helped me through so many tough times. I could always count on her for advice and support. I will miss her; a part of my heart is gone.*
