“ I'm thankful that I was able to attend the graveside service for Judy yesterday. What a joy to learn of her commitment and involvement in her church and community. Although we were high school classmates, we had not kept in touch except at reunions (which she always attended). It was also comforting to know she'd made her eternal reservation with Jesus Christ and lived her life in such a way to prove her love for Him.

I also just learned that we share a birthday...I'll remember her on Aug 17 every year.

May God bless you all as you get some much deserved rest knowing how beautifully you cared for her for so long.

“ Judy will be missed very much, she was my moms best friend for many, many years. I'm so sorry to lose her, but know she's rejoicing in the house of the lord. We spent many days and nights with Judy as her daughter, Phyllis is my best friend and oh what fun we've had. My prayers and love go out to her family, mom, sister, and brother. RIP my dear friend.

So sorry to learn of the passing of Judy on Monday. She has been a wonderful neighbor for the last eighteen years. She was a lovely, warm person, always kind. May the peace of Christ abide with you all at this difficult time. You will be in our thoughts and prayers through the days ahead.
