“ I am sad that our family is unable to attend the service. We all loved Kathy so much! I will always have fond memories of our family visits with her in Thibodaux, LA. She made the best spaghetti sauce and homemade strawberry jam. She was warm and welcoming to us all. Most of all, I will miss her infectious laugh & loving hugs. ❤️

“ Kathy and I became very close friends at work. We worked together for 11 years. I loved her sense of humor, and take no crap attitude. Loved her dearly. She will definitely be missed.

“ *Kathy was really a great friend. I taught her to quilt and loved spending time with her. One morning I fell down cement steps and she was the first person I thought to call for help. She dropped everything and came rushing over not knowing what had happened, only that I was crying and said I needed her. I love her so much and my heart broke when she moved from Thibodaux, LA. We had a sewing group called the Housewives of Terrebonne Parish. No one compares to my Kathy. I love and miss her dearly. I was so blessed to see her in January when we came to NC to visit. Can't wait to see her again.*
