“ It was very sad to hear about my cousin Kathy. All those years that we grew spent together in the 70s at Uncle Alfred's house in Jersey are some of the best times of my life. I will never forget those weekends where there was 50 people sleeping on the floor and everybody is singing and dancing downstairs in the basement. I'm so glad that all the cousins got a chance to be a part of something that was really special. RIP CUZ❤️❤️

“ *Conor,  
I am so sorry to hear of her passing. Your mom was an amazing person. I am glad she was a part of my life. Kathy will be a legend in Silver Creek. We had great times hanging out at the pool in the younger years. Lots of great memories - too many to share. But here are a few that stand out: neighborhood roller hockey matches in the cul de sac on Ashley Glen, you and she as Boxcar Champions after racing on Banyon Tree. She will be remembered for many years to come for her Chocolate Bark recipe she shared, and I in turn have shared with Erin, and my daughter in law, Kate. Hopefully memories will bring a smile to your face as you grieve.

*My heartfelt condolences to Conor, Lynn, Barbara and family during this difficult time. Kathy & Pete were great friends, when they lived in Pawling. We built the same house, in the same year and spent a lot of time together when our husbands were out golfing or on golf trips. Kathy and I played on the same softball team and always had great times together. She was such a dear friend and will be missed dearly. RIP my friend, until we meet again. Until then, I will cherish the many wonderful memories I have. Joan (Swalagin) Porper*
