“ *Kelley was one of those people that had a habit of getting people to open up, share, and lessen the burdens of others. Always a smile, a laugh, and a hug. A few moments conversation, or an evening's and the world seemed so much brighter to me. I'm saddened that her smile and laugh are now only in my memory. Lauri, Jo-jo and I will miss you dearly!*

“ I was so sorry to find out about Kelley's passing. My years at Apex High School would not have been the same without her. We both started the school as new kids and through that became friends. I can remember laughing and giggling with her. My thoughts and prayers are with her family at this time.
