“ My mother was the absolute best mom! She was vibrant, giving and rock solid in her values and faith. I know she is up in heaven with my dad, and they are watching and feeling proud of the family they created.

I will miss my mom everyday but will continue to talk things out with her. My family (husband and 4 children) were truly blessed by her presence in our lives. My mom was so special to my children, and I know she will be greatly missed by them.

Love you Mom!

“ We have such great memories of Mr and Mrs Rice. Ray and I were so blessed to have such wonderful neighbors and "adopted" by them. I have so many wonderful memories of dinners together and spending time together. Mrs Rice was an awesome cook. She and Mr Rice were role models for us and we cherish every moment that we got to spend with them. I especially appreciate their support and love in being there for Ray while I was deployed. I still have the book series that she faithfully mailed to me while I was deployed. (Mitford series). She seemed to know just what to say and what was needed.

Dear sweet lady - you will be missed. Yet we know you are home with Jesus and now back with your great love, Mr Rice.

May God keep you and your family and I am praying that all will be comforted.

Love to all

“ Work and scattered locations often keep families (Don was my first cousin) apart but we enjoyed a few family reunions over the years. How wonderful to get to spend some time with Laura, Don and family. It is so difficult to give up our loved ones but I pray you take comfort in knowing she's in God's presence.
