“ I am so saddened and sorry for your loss. Lisa and I worked together at Vitamin World and although our team was small in numbers - we considered ourselves family. I always enjoyed having everyone over to my home to share my husbands cooking, and have many memories of her here. I always gave my guests a small index card to write down their thoughts on the evening and have kept them all in a box to look back on - many happy memories. She will be missed. All our love.

“ Lisa....I just love her so much. She has been so strong and so determined and a tireless fighter from the very beginning of her diagnosis. Her laugh that started like a hiccup, her sense of humor, I will never forget. Warm hugs to Lisa's family and especially for David and Louis. Lisa is going to be the brightest 🌟
