“ This is my mother's sister. My Mom is Pat Goebel. We tried to get in touch with the family before my Mom and Dad passed with no luck. My Mom wanted to visit with her sister. Aunt Mainie is what we called her and I remember her laugh. They were always having a good time. I remember you first cousins. Tim, Terry and Jennifer. If you guys are on facebook I sure would like to stay in contact with you. I am Susan McKibbin.
