“ As I have just found out about this, my heart is very heavy and sad. I have so many fond memories of "Miss Louise".....and what she and Mr. Frank (and the family) meant, and mean to my family. I never saw Miss Louise when she did not have a huge smile, and warm greeting for me...and always welcomed me into her home just like one of the family. I will never forget the famous "candy bar drawer" that Curtis and I would raid many days after Miss Louise picked us up from school, and then she would make us snacks while we shot pool. May God bless each and every member of Miss Louise's family, and know that you are all in my thoughts and prayers.
