“ *You have my sincere sympathy for the death of your wife, mom, and grandmother. I was so fortunate to work with Marianne when I was with Wake County School Child Nutrition. What an extraordinary person. She was so honest and kind. One of my most favorite things is a table runner Marianne made and gave me. Another example of her kindness! I know your memories will bring you comfort in the days to come. My heart and prayers are with you.*

“ *Marianne was an extraordinary woman. Her life was so amazing. I would have to write a book to explain just what an amazing woman she was and what an incredible and vast life she lived. I am proud to have been her friend for nearly 40 years. I can't begin to convey just how proud I was that she accepted me as a friend, not all Southern Bells made that cut, and I felt very special because I did. Marianne always made me feel special. Marianne was funny, strong, disciplined, hard-working, and adored her family; husband, daughters, grand-children, and her family in Germany. It's so very hard to put into words all that she was and all that she meant to me. I loved her and I will miss her presents on earth very much.*

“ *Lindsay , Daniela and Tanja ,*
I offer my deepest condolences to you all and the grandchildren .
Marianne and I became instant friends when she came to work at
Wake County Public Schools , and remained friends after she
retired . She was always kind , thoughtful and had a funny word to
share . I was so looking forward to having lunch or dinner with her
this month , just like old times . But it was not meant to be , so I will
cherished the luncheons and dinners we did have together and
keep my dear friend close in my heart and her Family close in my
thoughts and Prayers . God will comfort you and give you the
strength to endure this .

“ Dear Daniela,

I am sorry that your mother has died, and that you and she had to go through so much pain at the end. She must have been pleased that you were with her. She was always so proud of you. I've enjoyed the stories you've told me of her over the years.

My condolences to Tania and Lindsey.
