“ Dear Sue, John, Devin, Junior , and the whole Devlin Family,
We hope all your wonderful memories of the times you shared with your mom give you comfort during this sad time. Always remember her life was rich because of you. She was such a special person and Gene and I are so glad that we got to have that last glass of a little homemade Baileys cheer with her. We hope you find comfort in knowing she's not suffering anymore and that she's been reunited in heaven with your dad and is probably having a grand old time!
We're so sorry we won't be at the funeral to support you but please know that you are in our hearts and we will be thinking of all of you.

Love,
Claudia, Gene, and Family
