“ So sorry to read this. My dad was Charles “Delmer” Rhoden. I loved visiting Aunt Mildred and Uncle Otis the few times that we visited Bartow. I have fond memories of going to the beach with Uncle Otis. I am also saddened to learn that cousin, Stevie also passed. Stevie was so funny! My condolences to Stacey. I wish that we could have had more opportunities to see the family.

“ I am Family, Mill's sister, Lois died, MY Mother. Aunt Mill became my Mother.
My companion, horse, Chief SKYDOG, had to be seen at N.C. STATE VETERINARY HOSPITAL for cancer. I rode down with barn manager Mike. So sad and yet hopeful!
I WAS GREETED WITH A HUG BY AUNT MILL! Like a mother , she wanted to be a comfort! Hardly contained myself! I was so upset. And then an angel-like person was there to comfort! Yep, she was OUR MOTHER. And now our tribe has lost its Matriarch.

“ I have many wonderful memories of Miss Mildred! From the time she and pastor O.T. served at Sorrell's Grove Baptist Church to years spent in Ladies Fellowship at Sorrell's Grove with her. She always had a big smile and a ready joke or prank to play! Just recently she had asked me via facebook how my 92 year old mother was doing, expressing her concern even as she dealt with her own illness. I will miss her very much. God bless you all as you mourn the loss of this very special lady.

My sincere condolences to Stacey and family. I well remember the kindnesses and ministry of Pastor O.T. and family showered on my Mother, Essie Cotten of Morrisville. Thank you and God Bless from a grateful daughter.

Mrs. Hooks' husband baptized me when I was 9'yrs old and was our pastor my entire childhood. They always made people feel welcome and apart of their Christian family. I will never forget her joy and exuberant cry at Women's Fellowship, "BINGO!" Rest in Heaven Mrs. Hooks.
