“ *Milton was a very special Brother in Law, dear to our Hearts. His witty humor and fun character always but you at ease when he was around and made everyone fill special! I can't say that I've ever seen him that he didn't smile and took the time to speak to all. He will truly be missed in our Family circle and never be out of our thoughts! The void of him not being at family gatherings will not go unnoticed but his spirit I know will always be present!! Welcome to your Heavenly home Milton, may God give comfort and peace to your family, loved ones and all that will be missing you! Love, Debra and James*

“ *Milton was so sweet and kind to me every time he saw me. I would get and give warm hugs. I prayed for his recovery but guess God needed him to rest and be with him instead. He shall be missed.*
